Course Policy

- Weekly labs are required (**5% of your grade**)
- How do I get full points for lab? Effective next week, you have **2 options**:
 - Submit your completed lab by wednesday 8:59 AM (must pass all test cases)
 - Attend lab, stay for the whole hour (or until you finish), submit to OkPy and get checked off (even if you don't finish)
- Discussions start next week. **Discussion attendance is mandatory.**
- We encourage *pair programming* and *collaboration*
 - **Never share your code or answers**
 - Collaboration policy is outlined on the **syllabus**

Resources and Accommodations

- **Resources**

- **Tutoring:** Small Sections start **week 3**. Signups will be announced on Piazza.
- **Ask Questions!** We are more than happy to answer your questions in Office Hours, lab, discussion or ask each other!

- **Accommodations**

- Extra drops are provided (details in syllabus)
- Late submissions are not accepted
- DSP students must ask their DSP advisor to submit a letter through AIM

Where do I go for ... ?

- **Logistics**
 - Our website (Calendar/Syllabus)
 - Piazza (Changes/Releases)
- **Questions**
 - Office Hours oh.data8.org (Every day)
 - Post on Piazza
- **Your Work (Homework/Projects)**
 - Website (Calendar) has links to assignments
 - Hosted on online environment **DataHub** (aka Jupyter)
- **Grading**
 - Open Response/Exams: Gradescope
 - Coding: OkPy

Make sure you have access to all these resources. Let us know if not!

[Demo] OkPy

- When submitting your assignments for labs, homeworks, and projects, there will be a okpy link generated by the submit cell at the bottom of the notebook
- Click on the link to see that the notebook has been submitted to okpy and **make sure that it is not empty**
- Last semester we had a lot of empty submissions to make sure to check!

[Demo] Jupyter Notebook

- **Lab 1** can be found on <http://data8.org/sp21/>
